INTERNATIONAL SCHOOL WASSENAAR
RIJNLANDS LYCEUM

WITHIN TOUCHING DISTANCE OF **THE HAGUE AND LEIDEN**

Nestled in a picturesque setting in the heart of leafy Wassenaar, within touching distance of The Hague and Leiden, the **International School Wassenaar** provides a warm, safe and supportive environment for each child.

INTRODUCTION

In 1936, professors at the University of Leiden founded the school for their own children. They started a child orientated school, a school that motivates students to learn, encourages the natural curiosity, teaches knowledge through exploration and shows cohesiveness between subjects. We cherish this legacy. We want to deliver the best possible education to our students.

In September 2019 the **International School Wassenaar** opens on the premises of the Rijnlands Lyceum Wassenaar. We are thrilled with this new development and are very happy that we can provide the international community with the IB Middle Years Programme and – in the future – with the IB Diploma Programme.

I welcome the international students and their parents wholeheartedly to the International School Wassenaar – *Rijnlands Lyceum* and wish them much happiness and success in their new school.
